

MISSION:

- *Why are we here?*
- *What is expected of us?*
- *What is our shared interpretation?*

CONTEXT:

- *What do we value – individually and as a group?*
- *What do we want to look like and be?*

VISION:

- *What will we accomplish?*
- *What does "ideal" look like?*
- *How do we describe "success?"*
- *How will we inspire collaboration and commitment?*

STRATEGY

- *How will we achieve the vision?*
- *What route(s) will we take?*
- *Who else will be involved?*
- *How do we ensure accountability: from whom and to whom?*

- *How will we know when we arrive?*

ASSESSMENT:

- *What will we need to implement our strategy?*
- *What do we have now and what else will we need?*
- *What do we have now that we may not need?*
- *Revise the Strategy to outline how we will acquire what we need*

ACTION PLAN:

- *What will be done?*
- *Who will do it?*
- *With whom will we collaborate?*

- *To whom will products be delivered, and/or how will they be used?*

- *How will we know we did a given task?*

- *How will we know it worked as we planned?*

ADAPTATION:

- *Compare results to anticipated outcomes*

- *Assess overall progress in achieving our vision*

- *Assess completeness in exercising our mission responsibilities*

- *What can we learn from our efforts?*

- *What adjustments can we make to get better results?*
