

Strategic Plan Overview

Current State (2017)		Future State (5 Years)
<p>Goal 1: Forum – We are a highly valued venue for communication and information exchange among members</p>	<p>Goal 1 →</p>	<p>Goal 1: Forum – We are a highly valued venue for communication and information exchange among members.</p>
<p>Goal 2: Engagement, Involvement, Outreach --</p> <ul style="list-style-type: none"> • We participate primarily in public land projects planned and executed by the USFS under CFLR agreement • We are not well known in the community • We have no process for outreach to federal, state, local, private entities and/or citizens • Our successes are not well publicized 	<p>Goal 2 →</p>	<p>Goal 2: Engagement, Involvement, Outreach --</p> <ul style="list-style-type: none"> • Increased participation at all levels • ACCG works through public and private entities to identify and support public-and private-lands projects • We are an active and welcome partner in local forest management projects • We provide expertise, resources, and consensus from critical partners • We have a clear understanding of the “zone of agreement” among our members.
<p>Goal 3: Work on the Ground --</p> <ul style="list-style-type: none"> • Our core group of dedicated volunteers do most field work and is diminishing • We have no clearly defined responsibilities or deliverables • We have no clear criteria for project selection • We have no clearly defined “insertion point” for ACCG 	<p>Goal 3 →</p>	<p>Goal 3: Work on the Ground --</p> <ul style="list-style-type: none"> • We have completed a comprehensive landscape assessment for all lands within the ACCG footprint • We have established processes to identify and support a wide variety of projects, both short- and long-term • Our governance documents (MOA, Strategic Plan) and structure (Work Groups) reflect and support our mission, vision, and activities
