

Hi All,

I am shortening our call on Wednesday due to a mandatory meeting I have to attend. If the discussion needs to continue folks can stay on the line, however I think we can be efficient and get it done in 1.5 hours. The agenda and call in information is below:

Phone line: **1-888-844-9904, access code 2383642**

- Follow-up on to-do items (**please respond to as many of these in advance as possible to reduce our call time – notes attached with follow-ups**)
- 2018 Monitoring Planning and Needs
  - Volunteers - Gwen
  - Power Fire Reforestation – **June 19<sup>th</sup>** logistics to be discussed - Becky
  - Panther update - Shana
  - Cole Creek/Bear River update - Gwen
- Ecological Monitoring Matrix Updates – who work with Kyle to make sure moves forward
- Social Economic Updates - Robin
- Photo point monitoring – target field trips (if time allows)

July 11<sup>th</sup> will be the last call I facilitate prior to my maternity leave. Below is the draft agenda for that call. Plan on the full 9-12 time slot on the 11<sup>th</sup>. This will be further refined based on our call this week.

- Follow-up on to-do-items
- Future roles and responsibilities
  - Draft agenda
  - Taking notes
  - Keeping group on track
- Future meeting agenda/planning
  - Revisit the strategy and monitoring database to make sure we are on track: **schedule for fall/winter**
