

ACCG Monitoring Meeting

Tuesday, October 15, 2019

12:19 PM

Jackson Court Street

Attendees: Becky, Alaina, Alissa, Shane, Robin, Gwen (Shana on the phone)

Ecological Indicator Report

- Updates from provided from everyone on where they are at in the report
- Most of our questions have been addressed so we will proceed as planned
- Seems like we are pretty good at this point
- Need to incorporate Matt's edits to Chucks section (Becky)
- Webinar will be on the 24th so hopefully a few of us will commit to this to make sure we are on the right path
- Final edits will hopefully be completed by week end and then shared with the whole monitoring group and then edits will be due back in two weeks

Planning Team is meeting on the Power Fire so we are going to see if we can tag along on this field tour and maybe suggest a few stops to visit

Email Rick and Marc to tag on to the Power Fire (Becky with Alissa providing stops)

- Planning work group meeting
- Ellis/Bear River herbicide and reforestation/prescribed fire are of interest to the group but fuels folks definitely won't be available

Any other needs for the field symposium in June/July talk to Robin

-coordinate the field tour with the opening of the campgrounds (White Azalea)

- make initial contact with the research folks to see whom wants to attend

-this will be a field symposium with a possible camping option

SCALE meeting

- Shana will reach out to Kyle and CC Alissa and I to determine whether it is a good fit for the latest meeting
- If we need to present then we will step up to be there

Maybe get the SCALE monitoring matrix on the agenda for the CFLR WO that occur monthly - contact Lindsay Buchanan (Robin will send out the information for this meeting)

ACCG Full Group Meeting (Gwen will report out)

- Present the Ecological Indicator updates and solicit any help
- Share the intention of the Power Fire Spring field tour

Link Clark's paper on SCALE website

Annual Report Monitoring Section (All will work on this for Robin)

- Narrative for the 2019 work

- Alissa and Gwen will provide updates 2019
- Provide table for the last 2018 - annual reports
- Mid November as final deadline for annual report
- Social economic report in annual report - Robin

Task List:

- Ecological Indicator Report complete by group by end of week to send out to full monitoring group including Michelle (All)
 - Becky will update Matt's comments to latest version
 - Becky will send out to full group when all edits are complete (21st COB)
- Power Fire Planning Meeting Field Trip (Becky will reach out to determine if we can accompany – Alissa will provide agenda stops if needed by group) (In progress)
- Shana will reach out to Kyle to determine if we are on the agenda and Becky or Alissa will present in necessary (In Progress)
- Add Clark's paper to SCALE matrix
- Report out at full group meeting (Gwen – Done)
- Annual Reporting – all will provide any updates to Robin for the 2019 Report – photos are well liked with a mid-November deadline
